

J&A MEMORIALS

GRANITE, MARBLE & STONE SCULPTORS

We thank you for your valued enquiry and have pleasure in introducing our exclusive design book and price list.

A memorial is a lasting personal tribute to a loved one and as such the wording and any design makes it unique.

We trust that the designs illustrated herein along with some suggestions as to the wording will enable you to choose a suitable tribute.

We can include only a small number, therefore, should we not have illustrated the design or wording you have in mind, please contact us again and we will submit to you our quotation entirely without charge or obligation.

If the memorial is to be erected in a churchyard, there are certain restrictions on both the finish and colour, please contact us and we shall be pleased to advise you on the relevant rules/restrictions which apply.

If you are unable to visit us at our showroom, our representative will be pleased to call on you without any obligation to order. He can show samples of the various materials, and also offer advice as to the layout and wording of your choice.

Trusting we may be favoured with your instructions which will receive our personal and careful attention.

Disclaimer Due to the Full Colour Printing Process, the colour portrayed in this brochure may not accurately represent the finished product. It is therefore recommended that the material is viewed to prevent any disappointment.
